

ATTEND CHESAPEAKE CLASSIC SAILBOAT REGATTA

The Dickerson Owners Association invites Classic Sailboats over 25 ft whose first hull of the design was built no later than 30 years ago to come to the Chesapeake Classic Sailboat Regatta and Rendezvous to be held on June 14-16, 2019 in Cambridge, MD. The Rendezvous will start with a parade of boats in the Choptank River on Friday June 14, 2019 followed by docking at Cambridge and boat visits and a DOA sponsored cookout. The next day breakfast will be at the Richardson Maritime Museum followed by a "race" which is a laid back and friendly affair, not at all like some of the cut-throat fleet events we have known -- but it is well organized and has a unique and very fair handicap system. A special event of--a historic tour of Cambridge and water front luncheon-- will be held on Saturday for members and guests that do not race and may come from afar to attend this unique classic boat celebration. On Saturday night a banquet will be held at the historic Cambridge Yacht Club. Sunday a group of boats will leave on the Post Rendezvous Cruise, famously rafting-up on the first evening for pot-luck dinner and swimming.
